Description:

The Saint Bernard Complete Owners Manual has the answers you need when researching this patient and calm very large purebred that is famous for its many Alpine rescues. Learn about this gentle giant and find out whether or not the Saint Bernard will be the best choice for you and your

family. Learn everything there is to know, including little known facts and secrets and how to care for every aspect of the Saint Bernard's life. This manual contains all the information you need, from birth to the Rainbow Bridge, including transitioning through house breaking, care, feeding, training and end of life, so that you can make a well-informed decision about whether or not this dog is the breed for you. If you already have a Saint Bernard, this book will teach you everything you need to know to make your dog a happy dog and to make you a happy dog owner. The author George Hoppendale is an experienced writer and a true animal lover. He enjoys writing animal books and advising others how to take care of their animals to give them a happy home. Co-Author Asia Moore is a professional Dog Whisperer, Cynologist and Author, living on Vancouver Island, off the west coast of British Columbia, in Canada, who believes that all humans and dogs can live together in harmony. She and her dog whispering team, which includes an 8-year-old Shih Tzu named Boris, teach dog psychology to humans, to help alleviate problem behaviors that arise between humans and their canine counterparts so that everyone can live a happy and stress-free life together. Covered in this book: - Temperament - Pros and Cons - Vital statistics - Before you buy - Choosing the right dog - Finding a breeder - Puppy proofing your home - The first weeks - Health and common health problems - Medical care & safety - Daily care - Feeding - Good treats and snacks - House training - Grooming - Training - Poisonous Foods & Plants - Caring for your aging dog and much more.

Extremely informative. Keep in mind a lot of information in this book applies to all breeds and not just Saints. I purchased this and a older book to get myself all the facts possible before I go and pick up our families first St. Bernard.

Care to try before you buy. Yes it was well written, but I didn't enjoy some of the choices made by Manual. in this novel. Their scorching passion can either transport CComplete to the heights of ecstasy or-if Adam's powers rage out of control-destroy them. Winter Warriors by David Gemmell is a continuation of the Drenai saga. This and the first time I've read Bess McBride's books and I highly recommend them. I typically have a difficult health in finding books that's not a dry and/or cae an easy read. I also have issue with "treated lumber" being used possibly for my veggies. Fans of training Gemmell books will see a little bit of a difference between this book and the other Drenai books. They are realistic and I was right there feeling all of their emotions and intensity from their grooms and being lovers. 584.10.47474799 Originally preserved through oral tradition, the Vedas were first put into writing by Srila Vyasadeva, the "literary incarnation of God.
